In re Application of  
SALINAS, et al.  
Application No. 10/626,316  
Filed: July 24, 2003  
Attorney Docket No. 4369-031374

DECISION ON PETITION  
UNDER 37 CFR 1.137(b)

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed July 19, 2007, to revive the above-identified application.

The petition is GRANTED.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of November 30, 2006. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(II)(A)(2). Accordingly, the date of abandonment of this application is March 1, 2007.

37 CFR 1.137(b)(3) requires a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." Since the statement appearing in the petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the required statement. Petitioner must notify the Office if this is not a correct reading of the statement appearing in the petition.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$395, and the submission required by 37 CFR 1.114; (2) the petition fee of \$750; and (3) an adequate statement of unintentional delay.

Telephone inquiries concerning this decision should be directed to Monica A. Graves at (571) 272-7253.

This application is being referred to Technology Center AU 1651 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.
